Declass Review by NGA.

Gentlemen:

Reference is made to your Acceptance Test Procedure (transmitted by letter dated 31 October 1967), submitted to this office for approval.

The test procedure contained within the above document is acceptable, with the following exceptions:

1. Included in the combinations of optical objectives and eyepieces to be used in the test should be the 1.3X [ ] objective and both of the [ ] Compensating Eyepieces (the 6X and 10X). Therefore, the test will include all combinations of: (1) different zoom settings of the high-power Stereoviewer, (2) available objectives (1.3X [ ] 3X, 6X and 10X [ ]), and (3) compensating eyepieces (6X and 10X [ ])

2. A test to determine the interpupillary distance range of the High-Power Stereoviewer equipped with the Anamorphic Eyepieces will be made.

Very truly yours,
